

## Introduction to TEEP@AsiaPlus at NCUE

**Presenter: Dr. Yuh-Min Tseng**  
Dean, College of Science  
Professor, Department of Mathematics  
NCUE, Taiwan

1

## Overseas student programs of NCUE

- ◆ **180 Partner universities of foreign countries**
  - Thailand, USA, Canada, Japan, Korea, Germany, France, UK and China.
- ◆ **6 Dual-degree collaboration agreements**
  - California State University, University of Southern Queensland, Kennesaw State University
- ◆ **Ph.D., Master and Bachelor Degrees for Int'l Students**
- ◆ **Taiwan Experience Education Program (TEEP) supported by the Ministry of Education(MOE) in Taiwan. (Short-term study)**

### ◆ Detailed information

## What is TEEP@AsiaPlus?

- ◆ **Taiwan Experience Education Program (TEEP)**
  - Supported by the Ministry of Education (MOE) in Taiwan.
  - Universities and colleges in Taiwan offer short term (2~6 months) professional internship (NTS 15000/month).
  - Qualified international students (**Undergraduate, Master and Ph. D.**) are welcome to apply for TEEP scholarship.
  - Countries: Thailand, Vietnam, Malaysia, India, Indonesia, Philippines, Australia, New Zealand
- ◆ **By TEEP-gateway**
  - These students can experience not only in-depth education but also job environment in Taiwan.

## Example: TEEP@AsiaPlus Programs of NCUE

### ◆ 2018 Internship Program, Department of Biology

Country	University	Department	Duration
Thailand	King Mongkut's University of Technology Thonburi	Department of Microbiology	2018.06.29 2019.01.02
Malaysia	University Malaysia Sarawak	Faculty of recourse science and technology	2018.06.29 2019.01.02
Thailand	Chiang Mai University	Department of Genetics	2018.07.01 2018.12.31
Thailand	Prince of Songkla University	Department of Biology	2018.07.01 2018.12.31

College of Science, NCUE

## 2019 TEEP@AsiaPlus Programs of NCUE

Program	School	Location	Term
TEEP@AsiaPlus / NCUE / Nano Technology, Semiconductor Engineering, Applied Physics	National Changhua University of Education	Changhua	2019/07/01-2019/12/31
TEEP@AsiaPlus / NCUE / Smart Grid, Battery Energy Storage System, Power Electronics	National Changhua University of Education	Changhua	Please contact us!
TEEP@AsiaPlus / NCUE / Smart Grid, Battery Energy Storage System, Artificial Neural Network	National Changhua University of Education	Changhua	2019/07/01-2019/08/31
TEEP@AsiaPlus / NCUE / Smart Agriculture, Artificial Neural Network	National Changhua University of Education	Changhua	2019/07/01-2019/08/31
TEEP@AsiaPlus / NCUE / Green Energy, Semiconductor, Magnetic Random Access Memory	National Changhua University of Education	Changhua	Please contact us!
TEEP@AsiaPlus / NCUE / Green Materials, Semiconductor	National Changhua University of Education	Changhua	Please contact us!
TEEP@AsiaPlus / NCUE / Biotechnology, Digital Learning	National Changhua University of Education	Changhua	2019/07/01-2019/12/31
TEEP@AsiaPlus / NCUE / Liquid Crystal, Electro-optical Devices, Green Energy Technology	National Changhua University of Education	Changhua	Please contact us!

6

College of Science, NCUE

## 2019 TEEP@AsiaPlus Programs of NCUE

College	Department /Institute	Theme/Topic
College of Science	Department of Physics	Green energy, Semiconductor, Magnetic random access memory
	Department of Physics	Green material, Thermo electric
	Department of Physics	Nano technology, Semiconductor engineering, Applied physics
	Department of Biology	Biotechnology, Digital Learning
	Graduate Institute of Photonics	Liquid crystal, Electro-optical devices, Green energy technology
College of Engineering	Department of Electrical Engineering	Smart grid, Battery energy storage system, Artificial neural network
	Department of Electrical Engineering	Smart agriculture, Artificial neural network
	Department of Electrical Engineering	Microgrid, Battery energy storage system, Power electronics
